

As you walked through the poultry show you saw Plymouth Rock and Rhode Island Red chickens. You found someone who will sell you a setting of the eggs from those hens next spring. Go 4 spaces.

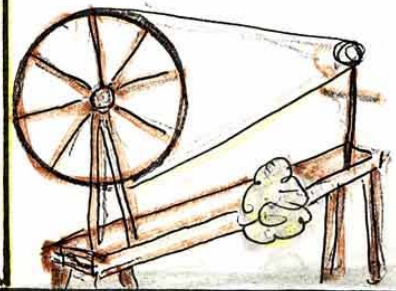

1952

You watched as your friend tried to make a bell ring at the top of a tall pole by hitting a target with a hammer. He couldn't do it. You are glad you didn't spend your money on that show. Go ahead three.

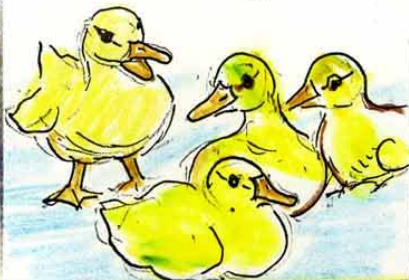

1891

You are a Taylor County merchant. You got a certificate for showing the best sample of a large spinning wheel. Move 2 spaces

The Medford Coop Store had its annual display of baby ducks. You spent a lot of time watching them. Go back two spaces to look at them again.

1950

You spent too much money throwing balls at a target. All you won was an ugly plaster cat. Now you wish that you could ride on the tilt-o-whirl but you have no money. Lose one turn as you watch your friends ride on it.

1925

You buy a ticket for your little brother to ride on the toy cars. Move 4 spaces as you watch him and think how nice it would be if your family had a real car.
