

1913 This is the first year that there was a parade of automobiles. Those people who had a car drove it past the crowd in the grandstand. Move 4 spaces to celebrate.

1883 Horse races were held on Perkins St. because there was no race track. Go ahead 5 so you can watch the race.

1915 There were accidents this year. The grandstand collapsed, a horse threw its rider and two sulkies collided. Go back 4 spaces as you try to see what happened.

1901 This year there were bicycle races at the fair. You wish that someday you will have a "wheel." Go ahead 3.

1904 Everyone is excited about seeing the hot air balloon go up with a lady aeronaut in it. Move ahead 4 spaces to see it.

1909 The Medford Foundry showed an engine that can turn a pump. It will be great not to have to pump water by hand for all your cows. Go 4 spaces because you are glad.
