

1983

This is the centennial year for the fair. Move 10 spaces as you think about all the changes that have happened in the last 100 years.

1959 FIRE !

The Merchant's Building was hit by lightning and destroyed by fire. Go back 4 spaces to help to fight it.

Because there is no electricity yet at the fairgrounds, the merry-go-round and the Ferris wheel were set up down town. Lose one turn as you travel between the two places.

1958

A honey queen for Taylor County was named. You are a bee keeper so you are glad. Move four spaces.

1956

Several kinds of mink are shown. You are proud that Medford is called the Mink Capital of the World. Move ahead 6 spaces.

1983

This is the first year for wristband night. You bought a wristband and got to go on as many rides as you wanted. Move one space and take two more turns.
