

Ferns Creative Writing

Examine the photos of ferns or take new ones. Put your thoughts about the ferns into words.

Ferns

Frilly fronds
Feathery ferns
Fair woodland flags
Flying freely
Feathery filler
For a forest floor.

Ferns

Fiddleheads unfurling fast,
Free of winter's stormy blast.
Curled fiddleheads come out.
Spread fronds and spores about.

Ferns

Bracken so broad and shady,
Ostrich and frilly lady,
Sensitive fern's plainer stalk,
Stand along the forest walk.

Interrupted Fern

Fuzzy fiddleheads unfurl.
On sturdy stipes they soon uncurl.
Pinna on stalks straight and green
Fertile brown ones in between.
