

Apples Everywhere

Apples here.
Apples there.
Apples hanging.
Apples falling.
Apples, apples;
Look! They're everywhere!

Apple Colors

Red and yellow
Green and golden tan
Name the colors
If you can.

Tasty Apples

Apples dried,
Apples dipped,
Apples pressed for juice that's sipped.
Apples baked
And apples cooked.
Apples canned
And frozen too;
Apples raw,
And apples fried;
Apples are so tasty
In all the ways I've tried.

Apples for Lunch

Stop for lunch.
Chew and munch.
Apples, apples by the bunch.

Apples appeal to the appetite.

Analyzing, tantalizing, appetizing, apple pie.

Buds and blossoms bring buzzing bees.
